

RESULTS FOUNDATION

inspired by RE/MAX RESULTS

ABOUT US

The Results Foundation was established in 2015 by RE/MAX Results with the purpose of giving back to the communities in which we work and live. We partner with local housing, education, and community organizations throughout Minnesota and Wisconsin to help build a strong foundation for all. We are an inspired community of giving that believes in the power of hands-on partnerships to achieve sustainable results. To date, we've donated over \$350,000 in grants and thousands of volunteer hours.

MISSION

We partner with local organizations to build the foundation for stronger communities.

FUNDING

A portion of every closed sale from RE/MAX Results and Results Title is donated to the foundation. Funding is also provided via Results Foundation events including the annual golf tournament, Rock the Foundation, as well as donations from generous individuals and community partners.
